RA to NM/CO. I am glad we are setting up a unified command for R6/R9 in Farmington. Any concerns?

Team –

I will be on the ground in Farmington and Shiprock on morning of Thursday 8/13. Will be sending invite to Navajo President for demonstration of water sampling. I will then go to Area Command in Durango on the afternoon of 8/13. I leave Durango at 18:00. I will coordinate further tomorrow.
